## From The President

### Greetings Eagle Members,

Today fellow Eagles I am writing this newsletter from the flying field. It is sunny and 70 degrees (f). Also windy. But Flying season is just around the corner so be ready.

Field is in great shape, just a little soggy. So much for the weather report.

Laurie at the Lake Side Party Center was really sorry we couldn't get in and assured me it wouldn't happen again, so we will give it another try.

The meeting will be Wednesday the 16 th.

I hope every one got the email that the land fill has changed the lock combo. Please keep this number with you. This will probably not be the last time this happens. I have asked Tim to keep us in mind if they change the lock again, but he has a lot going on. Please let me know if you discover a change in the future.

I guess that's about it. I like these short newsletter articles. It means not much excitement going on. Remember, we are the friendly flying club:) See you at the meeting, or maybe at the field!

## From Your Editor

### Hi Fellow Eagles,

April has arrived and finally the weather is starting to warm up.

I missed the annual Toledo show this year but I hear it was as good as ever.

I did attend the Mentor clubs Indoor Fun Fly at the University of Akron indoor football arena. Lots of people and lots of flying. I actually had fun and caught up with many old friends.

It's that time of year to be checking planes, batteries, and field equipment. Don't wait for the first nice day to have something turn up.

Not much to say this time of year, just hoping for a nice flying season.

Keep em' Flying!!

*Kraig*
