February, 2015

From The President

Greetings Eagle Members,

Hello RC Eagles.

Our next meeting will be February 17 th at the Lawrence Township Hall.

The club needs all members to attend. We need to plan for the Newtown Mall Show as well as do preliminary planning for the fly -in. There are some additional matters to discuss.

Lately the same 4 or 5 members have been attending the meetings. I thank them for their support. However, if we do not have any better attendance at the next meeting, I am going to move we suspend meetings until May at the flying field. The club officers are tired of no support and lack of interest in the running of the club. It's not a club if no one helps..

Have you paid your dues for the year? A list will be published in the next newsletter of 2014 members who have not yet paid for 2015. The club needs to know where their funding is for the year. If you are going to fly at the field, pay your dues now.

If you know of anyone interested in R/C bring them to the meeting.

There was discussion of a c/l circle at the ball field which is currently not being used.

Can any one suggest how we might attract c/l flyers to our club? This could be a good opportunity.

Please attend the February meeting.

See you at the meeting.

Scott
