## From The President

**Greetings Eagle Members,**

Our June meeting will be Tuesday the 21st. at 6:30. If the weather is good we will have it at the field. If the weather does not cooperate it will be at the township meeting hall. How will you know? If the weather is good enough to fly go to the field. If not, go to the hall. Still bring food, last meeting we ate in the hall.

This is the last meeting before the fun fly, so be sure to attend to sign up for a work station.

Our weather has not cooperated too much; rainy, windy, cloudy, etc. I have still got some flights in, not as often as I would like.

Field is in great shape (thanks Jim) and good for all types of models.

So see you at the field, or at the hall. It's nice to have a choice depending on the weather.

Fly safe!!!!

See you at the meeting!

*Scott*

## From Your Editor

**Hi Fellow Eagles,**

Once again it is almost time for our yearly club fly-in. This is the big money raiser for the club and helps keep the dues low, so consider donating an hour or two of your time to help with the effort. Any club member who works at least three hours will be entered in a drawing for one million dollars to be paid at the rate of \$1 (1 dollar) on February 29th of a leap year only. Prize will only be paid to the winner for his (or her) life and is none transferable to anyone else. Also the club reserves the right to stop paying the prize money if it rains in any given year. So come help and maybe win a fabulous cash prize.

This months meeting will be held at the field unless there is a tornado bearing down on it. Bring a covered dish and drinks. Scott will provide something roughly edible for your gustatory pleasure.

This months newsletter is brought to you by the letter "Y". As in Y the heck is this newsletter so late? Keep those cards and letters pouring in.

Keep em' Flying!!
