From The President

Greetings Eagle Members,

As you probably know Jim McCoy has been under the weather and in the hospital. So it was a wonderful surprise to see him at the Hot Diggity Dog club fly this past Saturday. I think he was so ornery, they threw him out

Our meeting will be this Wednesday the 18th at the field. Our grill is refurbished and cleaned out. (Thanks Jim). So I think we will serve hamburgers/cheeseburgers. Please bring something else to eat.

This is the last meeting before the fly-in so come and get assigned to an important duty.

That's about it, come early and fly if you wish.

See you at the meeting.

Scott

From Your Editor

Hi Fellow Eagles,

We had a nice cookout at the field Saturday with a few club members in attendance. The day was only mared by one accident when Gary Prince lost his Giant Scale Citabria due to an unknown problem. It was a problem that got progressively worse during the flight so interference can be ruled out. Everyone else flew the entire day without a hint of a problem and I got a voicemail from Gary saying he had figured out what went wrong so I guess I'll find out when I get back with him. It sure broke my heart to see that big plane come apart.

The Fly In is next month and as I said last month we need all members to lend a hand if we are to have a successful event. If we don't get a good turnout of members we will have to consider other sources of revenue to maintain the treasury.

The meeting is this Wednesday at the field. Bring a covered dish and enjoy cookout.

Keep em' Flying!!

Kraig
