## From The President

### Greetings Eagle Members,

Hello to all R/C Eagles ( and you know who you are).

Not too much to report this month.

The meeting is the 17th on Tuesday at Lawrence Township Community room. I am trying to get a guest speaker to talk about scratch building, we'll see.

We have had some interesting discussions at the meeting lately. Please show up and join in.

I would like to ask, is there any interest in club racing this year? Any format or form. Something different for sure. We could have club sponsored models to fly.

Member renewals are pouring in, please make sure yours are poured in as well.

Please remember a chain is only as strong as its weakest link. Make sure you are not the missing link.(?)

The weather is thawing, make sure you preflight your models COMPLETELY before first flight of season.

See all at the meeting for fun and frivolity.

See you at the meeting.

*Scott*
