From The President

Greetings Eagle Members,

Our club meeting will be Tuesday, May 17 Th. at 6:30 P.M. Plan on meeting at the field unless the weather is bad. If it is, meet at the Lawrence Twp. Community Center. We'll have a cookout if the meeting is at the field, so bring a covered dish and we'll have some fun.

Speaking of the field, we had a work event last Saturday. Sincere thanks to all who came out and helped. The field is in great shape! We're ready for some summer fun.

That's about it, make sure you're being safe when you are flying at the field. Maybe Gary V will go over safety stuff at the meeting.

See you at the meeting!

Scott

From Your Editor

Hi Fellow Eagles,

Hope everyone gets this since it will be the first newsletter I do at home. If you have any problems with it let me know.

We had a work party at the field and got the awnings up and the field looks great. Kudos to Jim McCoy for his efforts.

The weather has been slowly improving and we should be in store for another great flying season.

Kenny Baker had an operation to remove a tumor from his lungs and as of last week he is doing well.

I am retired now so you may send emails to me at my home email address kkrumm@neo.rr.com or at the University address. I don't monitor the University email as often so be aware it might take awhile to get an answer if you use that one.

Keep em' Flying!!
