November, 2014

From The President

Greetings Eagle Members,

Cold weather has arrived, this will undoubtedly slow the flying activities at the field. More time to build for next year.

As you are aware we are losing our winter meeting location. Wednesday the 19th. Will be our last meeting there. Please bring ideas for alternate locations to the meeting.

Response for the Christmas luncheon has been underwhelming to date. None the less we will be having it in lieu of a December meeting at Palumbo's in North Canton. You can reserve at the November meeting.

November is election of officers. Please consider running for office..

That's all for now.

See you at the meeting.

Scott

From Your Editor

Hi Fellow Eagles,

As Scott said November is election month and we need volunteers to step up and take the helm. We have a relatively small club and it is tough to find people who want to invest the time that it takes to manage the club's affairs. It is becoming obvious that our club is using up it's volunteer workers abilities and desires to keep the club running. We have an average of fifteen members that show up for meetings and those are the fifteen who do what it takes to keep the Eagles club viable. With the possibility of the Balsa Bees losing their field, we may see some new blood. I for one will welcome some new members.

I believe it is time to look at our dues. We are the lowest priced club in the area and with declines in membership and increasing expenses I think it's time to bump our dues up to \$50 per year. An extra ten bucks won't break anybody and it would cover our field expenses for half the season. If we get more members then the extra money could be used for defraying the cost of food at the summer meetings.

As usual due to the holidays and lack of news generally, there will be no newsletter in December. If re-sentenced I will see you next year.

Keep em' Flying!!
