Where Eagles Soar!

And Turkeys trot

Volume 20, Issue 10
November, 2015

From The President

Greetings Eagle Members,

I'm pretty sure the normal flying season has come to an end. Time to adjourn to the basement to plan next years exciting new models.

The meeting for November will be Tuesday November 17th at the Lawrence Township hall. Starts at 6:30.

We will discuss the December luncheon to be held at Palumbo's Restaurant . Everyone who attended had a really nice time. I hope more will attend this year. I need to get a pretty good idea of attendance to make the reservation, so try and attend the meeting. If you can't attend please e-mail Kraig or myself if you are going to be there.

November is officers elections, if you want to be an officer, make your intentions known at the meeting. Dues can also be paid starting now.

I think we had a good year overall in 2015. I'm hoping for a better 2016.

See you at the meeting.

Scott

From Your Editor

Hi Fellow Eagles,

The November meeting is traditionally the last meeting of the year. It is also the meeting where we sentence the officers to another year of indentured servitude. If you have never held a club office or if you have held an office in the past and have forgotten how much fun it is, now is a great time to run (basically if you want an office just speak up).

We had a fairly good year and have once again made enough to cover next years expenses (provided we get about the same number of renewals as we did last year). What this means is there will be no dues increase next year. So pay your dues now, quick before we change our minds!

If you are done flying for the year, most battery experts recommend charging your batteries up to about the 3/4 full point so they have some charge over the winter. Wouldn't hurt to cycle them once a month over te winter too.

Spray a little Marvel Mystery oil in your engines to keep them rust free and ready for next season. See you at the meeting!

Keep em' Flying!!

Kraig
