October, 2014

## From The President

### Greetings Eagle Members,

Fall has arrived, and cool weather abounds. We still will have some days of warm weather for flying but I'm afraid they will be few. Over all, the summer weather was disappointing to say the least. I suppose the good news was the fly in did not get rained out, and all of our outdoor meetings had good weather.

Speaking of meetings, our meeting this month will be held on October 15th at the Lakeside Party Center.

Nominations for club officers will be entertained, if you don't like the way things are going this is your chance to run for office and make your voice heard.

Once again, I had a fun year of flying with no major crashes but of course the year is not yet over. I hope everyone got their fill of flying this year.

We are going to talk about a little casual get together for Christmas. We might have some more news on the solar charger project as well.

That's all for now.  
See you at the meeting.

*Scott*

## From Your Editor

### Hi Fellow Eagles,

It's about that time of the year again to sentence officers to another year of leading the club. Come to the October meeting and nominate some victims. Otherwise you will be stuck with the usual gang of idiots for another year. If you are new to the club, being an officer is a great way to antagonize people.

Indoor season has started so warm up your battery chargers and hit a few of the local events. And try not to run the old folks over.

Our club should be featured in Model Aviation this month or next. Mark Radcliff, our VIP AVP for the AMA has admitted on the QT that his monthly column will feature our fly in from July.

The solar project is making headway. I think we could put in a respectable charging station for around \$300 give or take a lie or two. Basically it would be two 18 volt solar cells charging two storage batteries and would power any charger that works on a twelve volt supply. Still working out the details.

Keep em' Flying!!

*Kraig*

### Club Officers

President: Scott Kuntz  
Vice Pres. Bob Fortino  
Secretary: Kraig Krumm  
Treas. : Justin Gesquiere

### Committee Heads

Contest: Gary Villard  
Field: Jim McCoy  
Safety: Gary Villard  
Newsletter Editor  
Kraig Krumm  
Webmaster  
Rodney Ross

### Club Meeting

October 15th

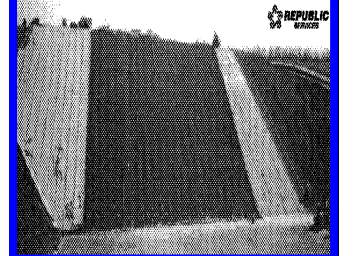

At Lakeside Center

6:30 PM

### Countywide Landfill
