From The President

Greetings Eagle Members,

The Summer is over. Dad and I flew last Sunday the 11th cool and a little breezy, but fun. No crashes so a good day. Field is still in great shape(thanks Jim), so maybe one or two more times out. Really though the days are getting shorter. (Sigh)

The meeting will be Tuesday the 20th at 6:30, at the Lawrence Township Hall. I'm not even going to ask if any one want to run for office.

What I am asking is will everyone who is planning on joining the club next year please e- mail Kraig so we have some idea of our numbers. This will help determine the direction the club will take next year. Please take a moment to do this, it will be a great help.

After the October meeting we will only have one more get together. Please try to make one of these last two meetings. I am planning a Christmas Luncheon, and would like input.

I can't think of anything else, please attend our October meeting.

See you at the meeting.

Scott

From Your Editor

Hi Fellow Eagles,

The end of the flying season is in sight and it is again time to elect the clubs officers for the next year. Nominations will be accepted at the October and November meetings with the election (sentencing) to take place at the November meeting. Now is your chance to take the reigns and run the club. Power to the people, today the eagles tomorrow the world, Deutschland, Deutschland uber alles.... Surely someone out there has the dictator mentality it would take to be der fearless leader, or at least the Secretary/Newsletter editor.

I see Scott has asked everyone planning on joining next year to email me. Please do so at krumm@uakron.edu. Then, while you are at it, email Scott and tell him too, at jskuntz@yahoo.com. Between the two of us we might get an accurate count. I just love to watch him squirm.

Oh, by the way, indoor season has started. Maybe we will see some of you at the local indoor events. Aerotech usually has flyer for them if you are interested.

Keep em' Flying!!
